

YAVNEH COLLEGE SIXTH FORM

Admission Rules for entry to Year 12 in September 2010

Admission number

30 Year 12 students

Academic requirements

All students joining Year 12 in September 2010 must possess the necessary qualifications to enable them to undertake a course of study comprising three or four AS levels leading to three or four A2 levels in Year 13.

Students must have achieved Grade C or higher in a minimum of 5 GCSE (or GCSE-equivalent) subjects including English language and mathematics and they must have achieved Grade B or higher in those GCSE (or equivalent) subjects which they intend to study at AS level. In addition, certain AS courses require Grade B or higher in English or mathematics. Please see our course booklet for further details.

1. Places on individual courses of study are limited. In the event of oversubscription for a particular course of study, priority will be given to siblings of pupils attending Yavneh College at the deadline for application and who will still be attending Yavneh College in September 2010 (for these purposes, 'siblings' means the sister, brother, half-brother or sister, step-brother or sister, adopted brother or sister, or child of the parent/carer or partner, and in every case living permanently in the same house from Monday to Friday) and any remaining places on the course or courses in question will be given to applicants in descending order of their total GCSE (or equivalent qualification) point scores.
2. A document describing the Jewish Ethos of Yavneh College is attached. We ask all parents applying for a place here to respect this Jewish Ethos and its importance to the school community. This does not affect the right of parents who are not of the faith of this school to apply and be considered for a place here.

Oversubscription

In the event of Year 12 being over-subscribed, the Governors will apply the following criteria in order of priority as laid out below:-

- A Children Looked After (within the meaning of section 22 of the Children Act 1989) who obtain a minimum of three points on the Yavneh College Certificate of Religious Practice.
