YAVNEH COLLEGE

Maccabi Inter-Schools Badminton and Table Tennis competition

Ms Smith

On Wednesday 26th March, the Yavneh College bus mini bus with the badminton and table tennis teams on board, made its way in torrential rain to JFS to play in the annual Maccabi competition. Yavneh took two teams; one Yr 8 and one Yr 7 team. The Yr 7 pupils went for the experience, as they had to play against pupils from other schools that were older - a character building exercise!

There were a total of ten pairs playing in the badminton competition from JFS, Hasmonean and Immanuel. The boys played every other pair, so had nine timed matches. The boys fought very hard in some very close matches. Yavneh A and B team (Yr 8 pupils) came equal-third and Yavneh C team (Yr 7 pupils) came fifth out of ten. A respectable result.

In the table tennis, the boys again played every player from all other schools, but in singles. Mark Collins came 4th overall, a brilliant achievement for someone in Yr 7. Let's hope when he is in Yr 8 he can win! The other players battled hard but faced stiff competition and they still came home smiling!

SPORT RELIEF

On Wednesday 12th March pupils tried to beat the Run- a-Mile World Record.

Due to the adverse weather conditions it was decided that the event would be held in the sports hall. All pupils were invited to make up individual boys' and girls' teams from their year group. There were large numbers making up all entered teams, meaning that each individual pupil only needed to run one or two laps. In total the pupils completed 50 relay-style laps of our sports hall against the clock.

Although the pupils didn't manage to smash any world records they did help to raise money for Sports Relief and set a benchmark for all future year groups to try to beat!

Year 8 Boys - 5 minutes 40 seconds

Year 7 Boys - 5 minutes 53 seconds

Year 8 Girls - 6 minutes 10 seconds

Year 7 Girls - 6 minutes 12 seconds

On Friday the 14th March the Yavneh College staff attempted to beat the pupils' mile record in order to show their speed, suppleness, strength and sporting superiority. We are pleased to say that with huge relief the staff now currently hold the Yavneh College-fastest time and record with a winning time of 5 minutes 35 seconds!

Well done to the huge number of pupils and staff who came to watch, take part and help raise £108.11.

Congratulations to Yaron Ash

Yaron is a very committed and talented swimmer in Year 7. He recently competed in the Boys' Under-12 Hertfordshire Swimming County Championships where he won 5 gold, 3 silver and 1 bronze medal. A fantastic achievement! The many hours of training Yaron has done have produced excellent results. Well done!

Self-Defence Classes

Recently, two self-defence instructors came into a Yavneh College special assembly to demonstrate self-defence skills.
