YAVNEH COLLEGE

## BADMINTON COMPETITION

In November the PE department has hosted two badminton competitions for Yavneh pupils. We had a good turn-out of boys for both completions. The boys competed in a pool competition and the winners of each pool then played each other to get an overall winner.

The winners were Ben Winters Year 7, Yossi Goodlink Year 8 and Daniel Maya Year 9.

There is a lunchtime badminton and table tennis club on Tuesdays and Thursdays and all pupils are welcome.

## BOYS' RUGBY

Mr.Kirk

Rugby is catching on at Yavneh College. As more and more pupils get the opportunity to try Rugby in their PE lessons, demand for the Extra-Curricular Rugby Club is growing. Numbers have gradually increased in the Year 7 and Year 8 Boys' Rugby Club and the boys are developing their skills in preparation for scheduled fixtures in Spring Term.

Due to the early dark conditions, training sessions have been arranged at Tabards Rugby Club in Radlett under the floodlights. This has been a great opportunity for the boys and our thanks go to Tabards for welcoming the pupils as the link between the school and the club continues to grow.

More sessions on the floodlit pitch are arranged and it is hoped that numbers will grow with pupils in Years 7, 8 and 9. All boys are welcome to sign up for the sessions and should keep a close eye on school notice boards for more information or ask Mr Kirk.

Tabards Rugby Club also offer sessions for juniors and provide excellent opportunities for players of all levels.

## Lost PE Kit

Mrs.Armstrong, Head of PE

The picture below is of a collection of the kit found in the PE changing rooms in the last week. This does not include any lost property from other areas in school. As you can see there are large amounts of kit misplaced regularly.

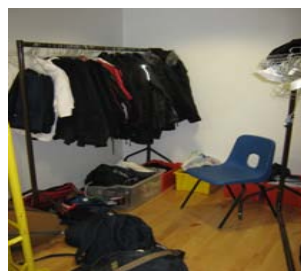

The PE department and office have a system in place to assist pupils in reclaiming lost property. Neither the PE department nor any other staff in school, can be expected or have the time to look for individual pupils' lost property. It is the pupils responsibility to look after their own things.

Please ensure all school uniform/PE kit are labelled. If your child picks up a bag or anything that does not belong to them please ensure they bring it back into school and hand it into lost property. If your child loses any PE kit they must look in both the PE department and the office for it.

If your child has lost their PE kit, please send them with alternative kit, with a note explaining why. If the PE kit does not turn up within two weeks pupils will be asked to replace it.

## Boys' Football at Yavneh!

The Year 7 boys' football team have had a good start to their first season of secondary school football. The boys turned their attention to the Mid-Herts 5 a-side football tournament in which they battled against competition from the best teams in the area to comfortably win the trophy! The boys are now awaiting their next 5 a-side contest having qualified for the county stages of the competition.

Back on the 11 a-side pitch, the Year 7 team maintained their good form with an impressive 9-0 win over Onslow! The boys gave a terrific team performance overwhelming Onslow with superb passing and pace down the wings. The goal scorers include Josh Cohen, Ben Winters, Sammy Kingston and Archie Leigh.

Boys Year 8 and 9 football teams have also been involved in fixtures in recent weeks and although results have not always gone their way, performances have been improving and the two teams are getting better with every game.

Congratulations to all those boys that have had the chance to represent the school so far! Anyone who is yet to win a place in the first teams should keep coming to training as 'B' team fixtures are on the agenda and all members of the squad are valued. Well done everyone!

## Year 7 Girls' 5 a-side Football Team Sheet

Monday 24 November Yavneh College v Chancellors

Score 9-12

**Year 7 Team** - Emma Lee, Talia Kamara, Amy Schuster, Daniela Gold, Talya Kamara, Beth Kraines, Gemma Adams, Lisa Hardin, Daniella Stern

Congratulations to the above pupils who played an excellent match against Chancellors School. This was the first indoor football match the Year 7 girls have played this year. Chancellors took an early lead but it was not long before captain Emma opened up the scoring for Yavneh. The girls battled hard and it was 9-10 with two minutes to go but Chancellors managed two last minute goals. The match was played in excellent spirit and all girls enjoyed the match. Thanks to Sixth Form students Jordon Silver and Matthew Nicolls who helped coach and referee this match.
