Yavneh Year 7 Boys' Football Kicks Off!!

Mr Kirk

The Year 7 Football club started with a bang on Monday 5 September with over 40 boys attending the first session. It was an excellent turn-out and the boys showed some real promise for the coming season. The Monday session was followed up by a session on Thursday 8 September which was also well attended with boys showing excellent levels of commitment and enthusiasm.

The club will continue on Mondays after school from 4-5pm. All Year 7 boys are welcome to attend regardless of ability and should just turn up with their kit, including boots and shin pads. The club is aimed at improving skills and tactical understanding along with developing team skills and friendships. Boys can come along for fun, play competitively and work towards representing the school in A and B team fixtures against schools from around Hertfordshire.

I look forward to seeing more boys attending in the weeks to come.

Yavneh's sport season gets underway

Mr Raymen

The sporting season is now underway for the pupils of Yavneh College with over 50 sports fixtures against other schools scheduled to take place between now and December.

There will be numerous opportunities for you to represent the school in a number of sporting activities as well as the chance to represent your form in one of the many intra-school competitions throughout this term.

If this is something that interests you then make sure you check the Physical Education extra curricular timetable to see when you can attend the club/s you enjoy the most. All pupils are welcome to extra curricular clubs regardless of ability or previous sporting experience, so come along with your friends and take advantage of the vast array of activities available to you!

Rugby Club at Yavneh

Mr Kirk

The rugby season is under way at Yavneh College with several boys attending Rugby Club on a Wednesday after school in preparation for the Herts Emerging Schools Rugby Competition fixtures. Games have been arranged for all year groups and all boys are welcome to attend on a Wednesday regardless of ability. New players are more than welcome.

I look forward to seeing many boys there in the weeks to come.

Josh Stern earns District Representative Honours

Mr McLoughlin

Congratulations to Josh Stern Year 8 who has been selected to represent the Mid-Hertfordshire Under 13 football team. He did exceptionally well to be selected in the 16 man squad and beat some very tough opposition.

Well done Josh!
