## Appeals Against Internal Assessment Decisions (Centre Assessed Marks)

This procedure confirms Yavneh College compliance with JCQ's General Regulations for Approved Centres 2017-2018 that the centre has in place "a written internal appeals procedure relating to internal assessment decisions and to ensure that details of this procedure are communicated, made widely available and accessible to all candidates" and that the centre "must inform candidates of their centre assessed marks as a candidate is allowed to request a review of the centre's marking before marks are submitted to the awarding body."

Certain components of GCSE and GCE qualifications (GCSE controlled assessments, GCE coursework, GCE and GCSE non-examination assessments) that contribute to the final grade of the qualification are internally assessed (marked) by the subject teacher. The marks awarded (the internal assessment decisions) are then submitted by the deadline set by the awarding body for external moderation.

Yavneh College is committed to ensuring that whenever its staff mark candidates' work this is done fairly, consistently and in accordance with the awarding body's specification and subject-specific associated documents.

Yavneh College ensures that all centre staff follow a robust *Non-examination assessment policy* (for the management of GCE and GCSE non-examination assessments). This policy details all procedures relating to non-examination assessments, including the marking and quality assurance processes which relevant teaching staff are required to follow.

Candidates' work will be marked by staff who have appropriate knowledge, understanding and skill, and who have been trained in this activity. Yavneh College is committed to ensuring that work produced by candidates is authenticated in line with the requirements of the awarding body. Where a number of subject teachers are involved in marking candidates' work, internal moderation and standardisation will ensure consistency of marking.

On being informed of their centre assessed marks, if a candidate believes that the above procedures were not followed in relation to the marking of his/her work, or that the assessor has not properly applied the mark scheme to his/her marking, then he/she may make use of this appeals procedure to consider whether to request a review of the centre's marking.

1. Yavneh College will ensure that candidates are informed of their centre assessed marks so that they may request a review of the centre's marking before marks are submitted to the awarding body.
2. Yavneh College will inform candidates that they may request copies of materials by completing the **Request for Copies of Materials Form** (for example, a copy of their marked work, the relevant specification, the mark scheme and any other associated subject-specific documents) to assist them in considering whether to request a review of the centre's marking of the assessment. A fee will be charged for this service.
3. Yavneh College will, having received a request for copies of materials, promptly make them available to the candidate within 2 days.
4. Yavneh College will provide candidates with sufficient time in order to allow them to review copies of materials and reach a decision.

## Appeals Against Internal Assessment Decisions (Centre Assessed Marks)

5. Requests for reviews of marking **must** be made in writing by completing the Internal Appeals Form available to students on the Yavneh College website and by the date specified on the Yavneh College website.
6. The candidate will be informed in writing of the outcome of the review of the centre's marking.
7. Yavneh College will ensure that the review of marking is carried out by an assessor who has appropriate competence, has had no previous involvement in the assessment of that candidate and has no personal interest in the review.
8. Yavneh College will instruct the reviewer to ensure that the candidate's mark is consistent with the standard set by the centre.
9. The candidate will be informed in writing of the outcome of the review of the centre's marking.
10. The outcome of the review of the centre's marking will be made known to the Head of Centre and will be logged as an appeal. A written record will be kept and made available to the awarding body upon request. Should the review of the centre's marking bring any irregularity in procedures to light, the awarding body will be informed immediately.

After candidates' work has been internally assessed, it is moderated by the awarding body to ensure consistency in marking between centres. The moderation process may lead to mark changes. This process is outside the control of Yavneh College and is not covered by this procedure.

## Appeals Against the Centre's Decision not to Support a Review of Moderation or an Appeal

This procedure confirms Yavneh College's compliance with JCQ's General Regulations for Approved Centres 2017-2018 that the centre has in place "a written internal appeals procedure to manage disputes when a candidate disagrees with a centre decision not to support a review of moderation or an appeal...".

Following the issue of results for non-examination assessments, controlled assessments or coursework, which Yavneh College will make available via Insight, candidates have the right to appeal the centre assessed marks based on the grounds that the marks awarded do not give the candidate sufficient credit for meeting the criteria in the assessment materials. Candidates cannot request a review of marking of centre assessed marks based on the fact that they expected to achieve a higher mark. The final decision to support an appeal will be made by the Head of Centre.

Following the issue of GCSE, A Level and BTEC examination results, awarding bodies make post-results services available. Full details of these services, internal deadlines for requesting a service and fees charged are provided by the exams officer before the issue of results and on the Yavneh College website.

Candidates are also informed of the arrangements for post-results services **before** they sit their final exams.

If the centre or a candidate (or his/her parent/carer) has a concern and believes a result may not be accurate, an enquiry about the result may be requested.

*Enquiries about results* (EARs) offers three services.

- ▶ Service 1 – clerical re-check
- ▶ Service 2 – review of marking
- ▶ Service 3 – review of moderation (this service is not available to an individual candidate)

Written candidate consent is required in all cases before a request for an EAR service 1 or 2 is submitted to the awarding body as with these services candidates' marks and subject grades may be lowered. Candidate consent can only be collected **after** the publication of results.

If a concern is raised about a particular examination result, the candidate may pay the appropriate EAR fee to the centre, and a request will be made to the awarding body on the candidate's behalf by the exams officer.

Following the EAR outcome, an external appeals process is available if the head of centre remains dissatisfied with the outcome and believes there are grounds for appeal. The JCQ publications *Post-Results Services* and *JCQ Appeals Booklet (A guide to the awarding bodies' appeals processes)* will be consulted to determine the acceptable grounds for a preliminary appeal.

Where the head of centre is satisfied after receiving the EAR outcome, but the candidate (or his/her parent/carer) believes there are grounds for a preliminary appeal to the awarding body, a further internal appeal may be made to the head of centre. Following this, the head of centre's decision as to whether to proceed with a preliminary appeal will be based upon the

acceptable grounds as detailed in the *JCQ Appeals Booklet*. Candidates or parents/carers are not permitted to make direct representations to an awarding body.

The **Internal Appeals Form** should be completed and submitted to the centre within 7 calendar days of the notification of the outcome of the EAR. Subject to the head of centre's decision, this will allow the centre to process the preliminary appeal and submit to the awarding body within the required **30 calendar days** of receiving the outcome of the enquiry about results process. Awarding body fees which may be charged for the preliminary appeal must be paid to the centre by the candidate before the preliminary appeal is submitted to the awarding body (fees are available from the exams officer). If the appeal is upheld by the awarding body, this fee will be refunded by the awarding body and repaid to the candidate by the centre.

## Further Avenues of Appeal

If the candidate remains dissatisfied with the decision of the Stage 2 appeals panel, they may wish to appeal to the Examinations Procedures Review Service.
