Activities for AG+T pupils at school within department over the year

### KS3 Enrichments

#### Business Studies

- The “Tenner” challenge which runs as an enrichment in the Spring term, students will be tasked with opening a small business within school.
- Photoshop enrichment running on a weekly basis giving students the opportunity to learn how to edit photos professionally.

### KS4

#### Business Studies

- Books available such as ‘How Money works’, ‘How Business Works’ and ‘The Business Book’.
- Revision sessions running up to the exams (Wednesdays lunchtimes – week A)
- Targeted revision sessions for D/D\* pupils run by Mr Pieters.
- Wealth of revision resources for unit 2 exams including past papers, essay feedback and revision power points on OneNote and Insight.

- Feedback sessions on coursework's on a unit by unit basis during lunchtimes by Mr Lightman, Ms Hood, Mrs Davis and Mr Pieters.
- Year 11 coursework over holidays and catch up in half term in preparation for Controlled Assessments.

## KS5

### Business Studies:

- Business young enterprise running weekly which will focus on growing a business and donating profits to charity.
- Wide range of extra resources from extra textbooks (*How Money works from DK and The Snowball By Warren Buffet, Black Box thinking*).
- A bibliography with suggested titles for wider reading for the Personal and Business Finance exam.
- Individual tutorials (run by Mrs Davis) to help guide pupils through the coursework module and achieve highest possible grades

### Economics

- Business Young enterprise run throughout the year.
- Royal Economic society annual lectures.  
<http://www.res.org.uk/view/lectureEduTraining.html>
- Wide range of books and articles, students given access to the Financial Times and the Economist. Journals are on the online library which students have access to via Hertfordshire or London libraries.
- The Economics Book by DK. The law of Supply/Demand PDF versions on One Note.
- Capital in the Twenty-First Century, Book by Thomas Piketty
- The Shock Doctrine, Book by Naomi Klein
- The Wealth of Nations, Book by Adam Smith
- Economics, Textbook by Paul Samuelson and William Nordhaus
- Why Nations Fail, Book by Daron Acemoglu
- Capitalism and Freedom, Book by Milton Friedman
- The Great Transformation, Book by Karl Polanyi
- The Great Escape, Book by Angus Deaton
- How Will Capitalism End? Essays on a Failing System, Book by Wolfgang Streeck
