

PROVIDER ACCESS POLICY

Introduction

This policy statement sets out the school's arrangements for managing the access of providers to pupils at the school for the purpose of giving them information about the providers education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997.

Premises and facilities

The school will make the main hall (theatre), classrooms or private meeting rooms available for discussions between the provider and students, as appropriate to the activity. The school will also make available AV and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Careers Leader or a member of their team.

Providers are welcome to leave a copy of their prospectus or other relevant course literature either in the school LRC or Sixth Form Work Room. Both these are available to students at lunch and break times.
