General information about the school

Yavneh College is located adjacent to the Elstree Film and Television Studios in Borehamwood, Hertfordshire. The town of Borehamwood lies within Green Belt countryside on the outskirts of north London. Borehamwood and Elstree Station, 12 minutes' walk from the school, provides a fast and frequent train service south to Central London and north to St Albans and Luton. The main bus station for Borehamwood is a 3-minute walk from the school and provides services to the local Hertfordshire towns and north London suburbs.

Yavneh College is an 11-18 co-educational comprehensive. Yavneh College was constructed in 2006 as a £30m campus with state-of-the-art facilities and equipment throughout the site. The school was granted Academy status in July 2011.

Our Ofsted inspection in March 2011 graded Yavneh College as 'Outstanding'.

The appointment of a very experienced and successful Senior Leadership Team and teaching staff has meant that the school has enjoyed a reputation for excellence from its inception. Children of staff receive priority for admission to the school (full details are available in the admission section of the school website).

As a comprehensive school, we are committed to all of our pupils realising their full academic potential. We believe that this is best achieved by teaching pupils in sets rather than in streams, bands or mixed ability groups. Lower ability pupils are taught in smaller sets and are supported by learning support assistants.

As a Jewish faith school, our aim is to produce young people who are confident about their identity as members of the Jewish community and of wider British society, and well-equipped with the academic qualifications and wider key skills necessary for successful participation in today's employment market. There is no requirement for staff to be Jewish; we welcome applications from all sections of the community and appoint the best. The majority of our current staff are not Jewish.

If you have never worked in a Jewish school before, the following information may be helpful: school finishes at 1.30pm on Fridays with an early winter closure for a number of weeks at 1.10pm. The school day starts at 8.30am and ends at 4pm on Mondays to Thursdays. We have the same number of days' holiday as other state schools, but our holiday dates can be slightly different if Jewish festivals coincide with the school term.

Our pupils come from close-knit local communities. Most pupils live in stable homes and have two or three siblings. Education is highly valued by parents and pupils and they are ambitious in terms of examination success and future career paths.

Special Educational Needs (SEND) Department

The SEND Department supports pupils with a range of difficulties, including learning difficulties, physical disabilities, emotional and behavioural difficulties and autistic spectrum disorders. The SEND Department is headed by the Special Educational Needs Coordinator (SENDCO), who is a qualified teacher. She leads a team of LSAs. The advertised post are additions to the team.

The main role of the LSA is to provide targeted support to individuals or groups of pupils. This predominantly involves working in class but can also involve working with individuals on tasks set by the class teacher or the SENDCO.

In addition, you will be supporting pupils with SEND needs outside lessons during the school day. This will include lunchtime and or breaks, which pose particular challenges for them.

Experience or willingness to train in providing intimate care for pupils with physical disabilities is required.

Experience with pupils with SEND is desirable but not essential nor is previous experience as a LSA. However, previous experience in an educational setting or working with children or young adults is desirable.

Our LSAs will require a good general educational background, educated to at least A Level standard, with a minimum C grade in GCSE mathematics and English.
